The series currently includes Rudiments of America's Christian History and Government, American Christian Philosophy of History and Government, and American History: Christian Self-Government with Union.

"The rebuilding of America's Christian foundation and its super-structure of individual freedom, begins in the homes of American Christians, with the adults of this generation putting a stop to the ignorance of America's Christian History. The rebuilding does not begin in the legislative halls of our states or of the nation." Verna M. Hall*
